back shine flashlight wide swath realize there be pattern
artistic rendering borealis northern light always want see
somehow pain worry move Alaska totally find sky probably bad
idea just head bed save another night now brain shake dad
use tell story catch throat heart go wild lean little farth whole
body still die Grace say name promise last glance phone then
very deliberately look will figure three minute ask trepidation
replace instantly excitement sorry get kiss right same way
barely breathe color eye bright than feel fly maybe afraid
height Jaxon murmur float least hundred foot top castle middle
do demand finally word terrified lump show earth one level
know cold wrap jacket curl spread front important joy here
moment gemstone hang center gold chain mystic topaz
jeweler call stone flow together cut incredible facet room spin
muddle think twirl stare hellish run try protect drug overwhelm
make burn electricity zinge dance Hudson slide deep fang sink
help nod thing good power midnight flight kick ass Ludares
field time act tiger feeling humbling which grow astronomical
twilight close turn world faint purple yet star gorgeous
seemingly end horizon helps put add air quote forever secret
code watch confused yes stomp stretch elbow mean break
understand dawn wait exactly frown already laugh guess give
respect smooth obviously talk let hate disappoint wave hand
curtain shimmer window mouth tick away wind hot spring
clearing temperature drop several degree shade green Trial
suppose start more circular pose worthy ballet dancer athame
